

-ENGLISH-

Power Boosters

- Treatments for professional use only for enhancing or boosting the effectiveness of existing products that will be used in severe, stubborn or persistent cases.
- Make it possible to customise both in-salon and at-home treatments.
- Facilitate the introduction of new services, thus adding to the professional image by creating bespoke treatments.
- Formats made to be combined with other products to boost their effectiveness.

TR10 POWER BOOSTERS are composed of:

- Three booster products and one base product (an acid that has been specifically created to dilute well with other products).
- The minimum dose is 0.5 ml and the maximum dose is 3 ml.
- Four 30 ml amber-coloured glass vials to preserve the ingredients. With a dosing pipette. Part of a display case that contains all the information for use.
- Display case with the instructions for use.
- Ceramic bowl for mixing.
- Brush to apply it properly.

It's advisable to carefully read the instructions contained in the display case and in the technical data sheet.

Assess the severity of the client's condition in order to determine whether to use TR10 POWER BOOSTERS and how much.

Due to their 100% natural composition, there may be slight variations in colour.

TR10 CAPILAR SOLUTION is based on and formulated under the principles of NATURAL BIOCOSMETICS:

- **100% NATURAL ACTIVE INGREDIENTS.**
- **SULPHATE FREE.**
- **PARABEN FREE.**
- **COLOURANT FREE.**
- **ALLERGEN FREE.**
- **WE DON'T TEST ON ANIMALS.**
- **NEXT-GENERATION FORMULATION.**

TR10 POWER BOOSTER 1 ALPHA HYDROXY ACIDS

1. INGREDIENTS:

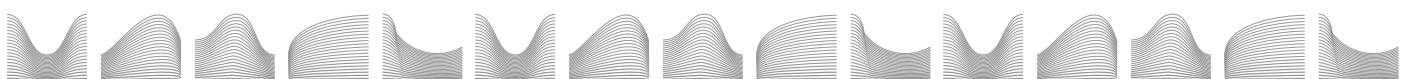

Aqua, Glycolic Acid, Lactic Acid, Ethoxydiglycol, Sodium Hydroxide, Malic Acid, Tartaric Acid, Citric Acid, Hydroxyethylcellulose, Benzyl Alcohol, Phenoxyethanol, Potassium Sorbate, Parfum.

2. PRODUCT DATA SHEET:

PH of 3.8

Concentrate of natural acids in a neutralised blend (pH of 3.8) of fruit acids following the criteria of maximum efficacy and safety of use, which – thanks to its keratoplastic effect – helps us dissolve the bonds between cells (intercellular cement) of the deepest layers of the epidermis, and dilate the pores and hair follicles. It also exfoliates the outermost layers, getting the scalp ready for the application and absorption of the treatments to be applied afterwards. Its formula contains the same active ingredients as TR10 NATURAL ACIDS of TR10 PROFESSIONAL TREATMENT. They're organic, with a carboxyl group in their molecule which makes them acids, and an adjacent hydroxyl group in the same molecule which makes them alcohols.

The alpha hydroxy acids of TR10 POWER BOOSTERS come in the form of a gel, with a synergistic and neutralised blend (pH of 3.8) of fruit acids with a 20% concentration (maximum pH values and concentrations authorised by the health authorities for non-medical cosmetic applications).

They're of natural origin and have the following properties and relative proportions:

- **GLYCOLIC ACID 43%:** obtained from sugarcane and green grapes. It's the simplest one, with the lowest molecular weight and size, making it easier to penetrate.
- **LACTIC ACID 38%:** found in sour milk and yoghurt. With a molecular weight greater than that of glycolic acid, it's a basic component of the skin's natural moisturising factor.
- **MALIC ACID 7%:** obtained from sour and/or green apples. It accelerates the skin's metabolism.
- **TARTARIC ACID 6%:** found in ripe grapes and aged wines. It is an exceptional antioxidant and natural exfoliant.
- **CITRIC ACID 6%:** found in citrus fruits (lemon, orange, grapefruit, lime, etc). It has the highest molecular weight and has natural preservative and antioxidant properties.

3. AETIOLOGY:

We recommend using it for all types of non-scarring alopecia and skin conditions that call for dissolving and loosening flakes from a flaky scalp.

Using TR10 POWER BOOSTER 1 ALPHA HYDROXY ACIDS together with TR10 NATURAL BALANCING SHAMPOO or TR10 SCALP TREATMENT CREAM is suitable to start any treatment on scalps with any flaking or excess sebum secretion.

4. MECHANISMS OF ACTION:

It effectively exfoliates worn outer layers of the stratum corneum of the epidermis. Its main property is not keratolytic; it's not based on the decomposition of keratin in the corneocytes, but rather on a keratoplastic effect of dissolving the intercellular cement holding them together, promoting the dilation of the pores and hair follicles, improving the application and absorption of subsequent treatments.

The outcome is an extraordinary renewal of the surface cells of the scalp, boosting its metabolism and renewal, giving rise to a rejuvenating action that is further enhanced by TR10 POWER BOOSTER 1 ALPHA HYDROXY ACIDS as it promotes the synthesis of mucopolysaccharides, collagen, elastin and reticulin.

Its exfoliating action removes blockages that obstruct the correct drainage of the pilosebaceous follicle and promotes the skin renewal stage.

5. HOW TO USE:

It can be used in different ways: mixed with TR10 NATURAL BALANCING SHAMPOO and/or TR10 SCALP TREATMENT CREAM, as part of many in-salon treatments.

- **Direct use:** In specific cases, you can use TR10 POWER BOOSTER 1 ALPHA HYDROXY ACIDS directly, as part of in-salon treatments. Apply 0.5 to 1 ml to the affected area on the scalp. Do not massage in. Rinse.
- **Indirect use:** It can be mixed together with TR10 Natural Balancing Shampoo and/or TR10 Scalp Treatment Cream. Rinse in both cases. Use as often as indicated by the professional.

For professional use only. Carefully read the instructions contained in the display case and in the technical data sheet.

Consult the protocols. Contact the Technical Dept.

6. PRECAUTIONS:

- TR10 POWER BOOSTER 1 ALPHA HYDROXY ACIDS cannot be mixed together with other TR10 POWER BOOSTERS, or with TR10 REGENERATING LOTION.
- It shouldn't be applied on the same day a technical hair service (hair colouring, lightening, straightening, perm, etc) is done. Leave a 24- to 48-hour-gap between the two services.
- The first time you apply TR10 POWER BOOSTER ALPHA HYDROXY ACIDS directly or in combination with TR10 NATURAL BALANCING SHAMPOO and/or TR10 SCALP TREATMENT CREAM, it's a good idea to keep a close eye on the treated area for any possible reactions. In the unlikely event of a reaction, immediately remove by rinsing with water.

TR10 POWER BOOSTER 2 ULTRA CONCENTRATED

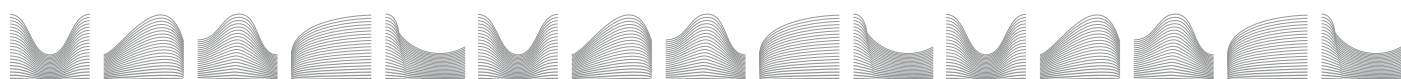

1. INGREDIENTS:

Equisetum Arvense Extract, Aqua, Isopropyl Alcohol, Hydroxyethylcellulose, Tea-Hydroiodide, Sodium Hyaluronate, Glycine Soja Germ Extract, Inositol, Inosine, Faex Extract, Hydrolyzed Keratin, Oligoelements, Glycerin, Thiamine Hcl, Riboflavin, Pyridoxine Hcl, Panthenol, Niacinamide, Biotin, Cyanocobalamin, Glycosaminoglycans, Phenoxyethanol, L-Menthol, Potassium Sorbate.

2. PRODUCT DATA SHEET:

PH of 6

- **TR10 REGENERATING COMPLEX:** Next-generation cocktail of active ingredients with regenerating, balancing, moisturising, and nourishing properties based on the most recent research findings on the scalp, hair and hair follicle. Its action is based on the following main active ingredients:
 - **PRORENEW COMPLEX:** Natural and vegan probiotic active ingredient obtained through biotechnology from a lactococcus lactis lysate whose main function is to balance the skin microbiome.
 - **AZELAIC ACID:** It exerts a keratolytic effect, which improves the absorption of the other active ingredients, and is a potent inhibitor of the 5 α -reductase enzyme.
 - **PRODEW 500:** Deeply moisturises scalp. It enhances the penetration of the other ingredients of TR10 CAPILAR SOLUTION. It's composed of the following active ingredients:
 - » **ARGININE:** It's an essential amino acid that's a component of proteins, including keratin. It also has antifungal, antibacterial, healing and anti-inflammatory properties.

- » **SODIUM LACTATE:** Its main function is to keep the skin's pH balanced and to protect it from external factors such as pathogenic microorganisms and pollutants.
- » **COMBINATION OF AMINO ACIDS:** It's involved in maintaining and retaining optimal moisture levels in the scalp and hair.
- **MINT ESSENTIAL OIL:** It boosts circulation and exerts an antibacterial and antifungal effect.
- **ARNICA EXTRACT:** With its anti-inflammatory and circulatory properties, it improves scalp health.
- **TEA-HYDROCIDIDE:** It exerts a powerful antifungal action against fungi that can damage the hair follicles and scalp. It's actively involved in hair growth and resistance.
- **EQUISETUM:** It has the following properties: elasticising, astringent, sebostatic, anti-radical and anti-pollution, as well as remineralising.
- **LMW (Low Molecular Weight 300 KD) HYALURONIC ACID:** Its main function is to keep skin hydrated and prevent transepidermal water loss (TEWL) thanks to its amazing capacity to retain water and maintain homeostatic balance. Thanks to its angiogenic properties, it also stimulates blood vessel growth.
- **ALPANTHA:** Natural molecule formed by a synergy blend of:
 - **PANTHENOL:** It promotes cell regeneration and locks in moisture, improving hair elasticity and softness.
 - **ALLANTOIN:** It has a gentle keratolytic effect on the scalp. It maintains moisture levels. It reduces the risk of hair breakage after combing by between 30% and 40%. It repairs hair damaged by chemical and/or mechanical treatments.

The formula of TR10 POWER BOOSTER 2 ULTRA CONCENTRATED contains the same active ingredients as TR10 CAPILAR SOLUTION, but they're ultra concentrated to enhance its benefits and results.

3. AETIOLOGY:

TR10 POWER BOOSTER 2 ULTRA CONCENTRATED is a treatment for professional use that regenerates, balances, revitalises, nourishes and rehabilitates the scalp, hair follicle and hair. It's used to treat all types of non-scarring alopecia and skin conditions, mixing it with TR10 REGENERATING LOTION, TR10 NATURAL BALANCING SHAMPOO and/or TR10 SCALP TREATMENT CREAM, to make them more effective in treating moderate to severe conditions. In some cases, as part of some treatments, we recommend using it directly as the final step in the weekly in-salon treatment for better and faster results.

In cases of alopecia areata undergoing treatment with TR10 PROFESSIONAL TREATMENT, boost its effects with TR10 POWER BOOSTER 2 ULTRA CONCENTRATE, 3 ml of TR10 REGENERATING LOTION, and 2 ml of TR10 NATURAL BALANCING SHAMPOO, as their synergies will considerably increase effectiveness.

4. MECHANISM OF ACTION:

Topical preparation in the form of a gel, with a completely natural composition with no side effects, indicated for the treatment of all kinds of hair and skin problems that affect the scalp.

Excellent hair regenerator that stimulates and normalises the hair follicles in a degenerative phase, preventing a shortage of

bulbs and getting rid of skin tautness, dermatitis and itching. It contains a special cocktail of active ingredients (nutrients) that work in synergy to boost bulb stimulation, growth and strengthening, while activating intradermal microcirculation to the scalp. It balances the scalp microbiome, stimulating the immune system of the skin.

It reduces the effects of dihydrotestosterone (DHT), the hormone responsible for the reduction in size of the hair follicles and hair (miniaturisation), which leads to the disappearance of the bulbs and the scarring of the hair follicles. These androgens accelerate the growth cycle of hair follicles, exhausting their regenerative capacity.

It delivers an effective solution to different problems that affect the scalp, which can trigger hair loss conditions. It gets rid of skin tautness, allowing the bulbs to develop in a healthy, relaxed and balanced scalp.

In alopecia areata, it enables hair to grow back in record time, activating the hair follicles that are still alive and restoring the bulbs in a degenerative state of atrophy.

5. HOW TO USE:

It can be used in different ways:

- **Direct use:** In specific cases, you can use TR10 POWER BOOSTER 2 ULTRA CONCENTRATE directly, as part of in-salon treatments. Apply 0.5 to 1 ml to the affected area on the scalp. Massage in. Do not rinse.
- **Use indirecto:** It can be mixed together with TR10 Natural Balancing Shampoo, TR10 Regenerating Lotion, TR10 Scalp Treatment Cream, and combined with TR10 Power Booster 3 and TR10 Power Booster 4 Ozone Serum, as part of in-salon treatments and/or the necessary at-home treatments. Add 1 to 3 ml depending on the severity of the condition. Use as often as indicated by the professional.

For professional use only. Carefully read the instructions contained in the display case and in the technical data sheet.

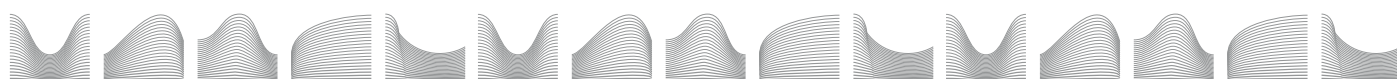

Consult the protocols. Contact the Technical Dept.

TR10 POWER BOOSTER 3: LAVENDER CONCENTRATE

1. INGREDIENTS:

Aqua, Glycerin, Viola Odorata Flower Leaf Extract, Lavandula Angustifolia (Lavender) Flower Leaf Stem Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract.

2. PRODUCT DATA SHEET:

PH of 4.8

- **VIOLA ODORATA FLOWER/LEAF EXTRACT:** It has anti-inflammatory, antioxidant, toning and antibacterial properties. It contains vitamins A and C, which improve skin elasticity and promote cell regeneration and renewal. It neutralises the free radicals that cause oxidative stress. It's essential for collagen production.
- **LAVENDER FLOWER EXTRACT:** With soothing, anti-inflammatory, refreshing and antiseptic properties. It helps to lock in moisture and prevents oxidative stress.
- **ROSEMARY EXTRACT:** With decongestive, refreshing and antimicrobial properties. It's rich in essential fatty acids, making it an excellent nutrient for the skin.

The synergy of these three active ingredients is the perfect combination to intensively and effectively treat problems with an itchy scalp, providing immediate relief.

3. AETIOLOGY:

TR10 POWER BOOSTER 3 LAVENDER CONCENTRATE is a treatment for professional use with soothing, revitalising, regenerating, anti-inflammatory and antimicrobial properties.

We recommend using it for all types of alopecia and/or skin conditions with itching, discomfort, inflammation, a burning sensation or pain thanks to its soothing, anti-inflammatory and antiseptic action.

Using TR10 POWER BOOSTER 3 LAVENDER CONCENTRATE together with TR10 NATURAL BALANCING SHAMPOO, TR10 REGENERATING LOTION and/or TR10 SCALP TREATMENT CREAM considerably reduces and soothes the signs and symptoms that make the scalp feel uncomfortable.

4. MECHANISMS OF ACTION:

Topical preparation in the form of a concentrated solution, with a completely natural composition with no side effects. Indicated for the treatment of all kinds of hair and skin problems that affect the scalp.

Exceptional concentrate that soothes and reduces itching, discomfort, pain or a burning sensation on the scalp caused by skin conditions (dermatitis, eczema, psoriasis, inflammatory states, etc) or types of alopecia with the symptoms described above.

5. HOW TO USE:

- **Direct use:** Directly on the scalp in severe cases, as part of in-salon treatments. Apply between 0.5 and 1 ml to the affected area on the scalp. Gently massage in for it to absorb more quickly. Do not rinse. For professional use only.
- **Indirect use:** It can be mixed together with TR10 Natural Balancing Shampoo, TR10 Regenerating Lotion, TR10 Scalp Treatment Cream, and combined with TR10 Power Booster 2 Ultra Concentrated and TR10 Power Booster 4 Ozone Serum. Add 0.5 to 3 ml depending on the severity of the condition. Do not rinse. Use as often as indicated by the professional.

For professional use only. Carefully read the instructions contained in the display case and in the technical data sheet.

Consult the protocols. Contact the Technical Dept.

TR10 POWER BOOSTER 4: SERUM O3

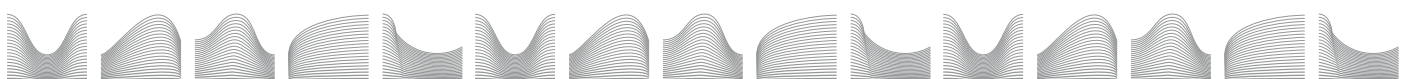

1. INGREDIENTS:

Aqua, Ozonized Olea Europaea Fruit Oil, Cocos Nucifera Oil, Sodium Polyacrylate, Parfum, Sodium Hyaluronate, Cinnamomum Zeylacum Leaf Oil*, Zinc Sulfate, Caesalpinia Spinosa Fruit Extract, Kappaphycus Alvarezii Extract, Arctium Majus Root Extract, Biotin, Lecithin, Xylityl Sesquicaprylate, Butylene Glycol, Phenoxyethanol, Ethylhexylglycerin, Linalool, Limonene, Eugenol.

2. PRODUCT DATA SHEET:

PH of 5.5

- **OZONIZED OLIVE OIL:** Treated with active oxygen with regenerating, stabilising, moisturising and antioxidant properties. It makes skin more elastic and helps to control free radicals.
- **COCONUT OIL:** From organic farming, with moisturising and emollient properties.
- **HYALURONIC ACID:** With moisturising properties.
- **DRIED CINNAMON BARK EXTRACT:** With refreshing and toning properties.
- **ZINC SULFATE:** With antimicrobial, anti-plaque and anticoagulation functions.
- **CAESALPINIA SPINOSA EXTRACT:** Tree native to Peru with antioxidant, firming and anti-ageing properties. It protects against damage from free radicals caused by UV exposure, reducing the risk of premature ageing.
- **RED SEAWEED EXTRACT:** It helps to restore the skin barrier, preventing dehydration. It stimulates cell renewal. It locks in moisture. It adds softness and elasticity.
- **BURDOCK ROOT EXTRACT:** Nourishing and antioxidant properties.
- **BIOTIN:** It improves the keratin structure of the skin and promotes the regeneration process.
- **LECITHINS:** Emollient and conditioning function for the skin. It enhances the absorption and penetration of the ingredients.
- **XYLITOL:** Derived from corn: Microbial and moisturising functions.
- **LINALOOL (ESSENTIAL OIL OF MANY FLOWERS):** Antiseptic, anti-inflammatory, antifungal and antimicrobial properties.
- **EUGENOL:** Antibacterial and anti-inflammatory action.

3. AETIOLOGY:

TR10 POWER BOOSTER 4 OZONE SERUM is a treatment for professional use with healing, bactericidal, regenerating, soothing, anti-inflammatory and antimicrobial properties.

We recommend using it for all types of alopecia and/or skin conditions with itching, discomfort, inflammation, a burning sensation or pain thanks to its soothing, anti-inflammatory and antiseptic action. Specially designed to treat flaky scalps, scalps damaged from scratching or that ooze.

Using TR10 POWER BOOSTER 4 OZONE SERUM together with TR10 SCALP TREATMENT CREAM increases the benefits, quickly and effectively reducing and soothing the signs and symptoms that make the scalp feel uncomfortable.

4. MECHANISMS OF ACTION:

Topical preparation in the form of a serum, with a completely natural composition with no side effects, indicated for the treatment of all kinds of hair and skin problems that affect the scalp.

Exceptional concentrate with bactericidal and anti-inflammatory properties which heals, regenerates, soothes and treats itching, discomfort, pain or a burning sensation on the scalp caused by skin conditions (dermatitis, eczema, psoriasis, inflammatory states, etc) or types of alopecia with the symptoms described above.

5. HOW TO USE:

- **Direct use:** Use directly on the scalp in severe cases, as part of in-salon treatments. Apply 0.5 to 1 ml to the affected area on the scalp. Gently massage in for it to absorb more quickly. Do not rinse.
- **Indirect use:** It can be mixed together with TR10 Scalp Treatment Cream, and combined with TR10 PowerBoosters 2 Ultra Concentrated and TR10 Power Booster 3 Lavender Concentrate. Use as often as indicated by the professional.

For professional use only. Carefully read the instructions contained in the display case and in the technical data sheet.

Consult the protocols. Contact the Technical Dept.

6. WARNINGS:

**Do not swallow.
Keep out of reach of children.
Shake vigorously before using.
Store in a cool, dry place.**
